## Anniversary of Waco, Texas Inferno

**T**HREE years ago from this date marks the "momentous event" when the Branch Davidians and FBI officials had a violent confrontation that resulted in death and destruction.

This particular episode in the pages of Time is also very significant for me due to a major warning letter that I had sent to La'el Ministries.\*

I really had no idea what would be happening in Waco, but God did; which is why He prompted me to write the following letter.

4/14/93

*"To Whom it May Concern,*

*The God of Abraham, Isaac, and Jacob says to you:*

*This is your final warning! Repent and turn from your sin!*

*Your sin has darkened your eyes and you know not where you are going or where you have been.*

*You may think you are walking with the LORD God Almighty, but you have been deluded into believing a lie.*

*Your lives are based on lies, and we all know that Satan is the Father of lies. Only Truth will set you free from the Power of Darkness!*

*I pray that you will heed these words of warning and humbly consider what the LORD God above is speaking to your heart. It is a matter of your Eternal Life or Eternal Death.*

*"I AM come to send fire on the earth; and what will I, if it be already kindled?"*

Luke 12:49

*Whether you believe it or not I love you all very, very much; and so does the LORD. After all He gave His Life for you so that you might Live.*

*He can forgive you of all your sin except blasphemy against His Holy Spirit. So please do not disregard what He did on the night of 28 February 1993... That was most certainly the Holy Spirit working through me, which I had no control over.*

*You all know my stand with the LORD has always been:*

*'Here I Am LORD, send me.' And He has done it! Praise the LORD God!*

*If you continue on your present course, the LORD will come upon you like a thief in the night; and when you stand before Him there will be no more excuses or justifications. You cannot deceive the Perfect One.*

*Blessing, and Glory, and Wisdom, and Thanksgiving, and Honor, and Power, and Might, be unto my God! Forever and ever. Amen!"*

*The Author*

The following was spoken in the presence of the Enemy. Since that Time, the "Church" has been shaken to its very Foundation.

May you have "ears to hear" what "the Spirit and the Bride" is saying unto the Churches!

### *Prophecy of 28 February 1993*

*"Many things you have been taught here has been done in secrecy and in Darkness. You have been taught truth mixed with lies and the LORD says it will go on no longer!*

*...And the LORD is giving you a chance to turn from your sin. And He is so forgiving that He will not hold your sin against you if you repent. And if you do not you will die!*

*And He is my Husband. I love Him with a love that cannot be broken. I love you too, but with a brotherly love. And I beg you to repent!*

*Everything you have learned here has been tainted with evil and you cannot hold on to any of it.*

*The only thing you can hold on to is the fact that Jesus Christ died for you and by His Mighty Power God raised Him from the dead.*

*And if you believe that in your heart and claim Him as LORD, He will put the same Spirit that raised Jesus from the dead inside of you to lead you and guide you into the Truth!*

*Light will overshadow Darkness and Darkness will not be able to stand in the presence of God!"*

*"For our God is a consuming Fire."  
Hebrews 12:29*
