"While ye have Light, believe in the Light, that ye may be the children of Light..." John 12:36a

THE PEACEFUL ERADICATION OF MANKIND

I believe this Nation is headed for the Darkest days in the history of these United States of America.

There are many reasons why I know this to be true, but last week it became very clear to me that Almighty God has handed this Nation over to the Devil.

On 26 September 1996 the political leadership in this country ruled that it is perfectly legal, in their view, to brutally murder a defenseless little baby.

It is so hard for me to comprehend how the US Government can sanction and condone the horrible killing of the most innocent among us.

This particular procedure whereby a healthy full term baby is pulled from the mother's womb by it's feet, and just before the head is delivered a pair of scissors is thrust into the back of it's head, and then a suction tube is inserted so as to remove its brains in order for this child to be delivered dead, all in the name of freedom of choice, is an ABOMINATION BEFORE THE LORD GOD ALMIGHTY!!!

This so called abortion procedure is undeniably one of the most despicable forms of murder; and I can not imagine that any reasonable person could agree with killing an infant in such a manner.

Actually there is really no excuse or justification for killing a baby regardless of what stage of development they are at.

But I do understand how a person could believe why certain abortions should be left to the choice of the mother, because regretfully I use to be one of those women.

Of course, this was before I knew the Truth about abortion, and I was under the impression that it could only be performed in the first few weeks. I was even told that it was not yet a baby. But it's all lies!!

And this evil is condoned by a Nation that stands for Freedom and Justice for all!

And the Devil has taken such great pleasure in the fact that we as a Nation and a people have believed these horrible lies.

If you are someone who has had an abortion; or maybe you are the parent or the husband that insisted on it; or you could even be the sister, brother, or friend who helped or encouraged a woman to go through with it--no matter what category you may fall into, we all have in some way been affected by the evil agenda of Satan.

And I Am convinced that the Devil's goal at this Time is: "THE PEACEFUL ERADICATION OF MANKIND!"

"And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom:

But he shall come in peaceably, and obtain the kingdom by flatteries."

Daniel 11:21

Abortion is but one of the many ways in which the Wicked One has been able to carry out his evil plans; but once the shroud of secrecy and deception was removed from my eyes I could no longer condone this evil.

My heart truly goes out to those who are in such a desperate situation where they feel their only recourse is to have their babies killed; but after all that has been revealed about abortion, and especially this horrendous "partial birth" procedure, if you are one that continues in this abdominal sin then you will have no excuse when you stand before Almighty God!

It is such a Time as this that people need to seriously considered where they are going to spend eternity? With the "Creator" of life, or the "Destroyer" of life? With the Holy One or the Wicked One? In Heaven or in Hell? If you haven't already, you really need to THINKABOUT IT.

I might not personally know you, but I Am truly concerned about where you may go when you die; otherwise I would just remain silent and do nothing.

Additionally, those who refuse to be personally involved in the issues of Life are also responsible for the deaths, and even though they are convinced that it doesn't affect them, that won't always be.

When the wrath of Almighty God comes down upon this earth there will be no hiding from the Truth then.

This Nation, along with all nations, will be held accountable as to what we have done with the commands of Almighty God, and what we do with His son Jesus Christ.

My earnest hope is that those who are in leadership positions will endeavor to right the terrible wrong that took place on one of the Darkest Day in this land.

For on that day of 26 September it appeared that the moon and stars were no longer shining due to the earth's shadow, but at the end of this great sign in the sky a full moon emerged shining brightly.

In like manner this world has been so darkened by the wickedness of sin, and at Times it may seem as if there is no Light, only Darkness; but one great Day the LORD will destroy all sin and iniquity with the brightness of His coming. Praise God!

Satan has many methods in which he goes about to accomplish his evil agenda of death and destruction, and it appears that he is winning in this battle for the soul of America and the world; but those who follow Christ must not give in or give up!

This country was founded upon the Word of God and the LORD Jesus Christ, and it would be so easy for God's people to just quit; but I hope you won't!

My prayer is that God will give us all a measure of grace to continue in our stand for Truth, Justice, and Freedom for all; especially for those innocent ones who do not yet have a voice to speak out, or should I say cry out!
