

My Sheep Hear My Voice

I AM only one voice among so many, and I hope you will hear what I Am led to say.

God revealed Himself to me while I was in the presence of my Enemy, and He allowed me to see who I was really walking with, and who they actually served. I Am just so thankful that I was attentive to His voice.

Please prayerfully consider what the LORD God spoke through me on the night of 28 February 1993 when He gave me this Message to share with His People.

"Many things you have been taught here has been done in secrecy and in Darkness. You have been taught truth mixed with lies, and the LORD says it will go on no longer!

And you, (Pastor...) is the one who has taught the lies, and the LORD says it will go on no longer in this home.

The LORD is giving you a chance to turn from your sin, and He is so forgiving that He will not hold your sin against you if you repent. And if you do not you will die!

He is my Husband, and I love Him with a love that cannot be broken. I love you too, but with a brotherly love. And I beg you to repent!

Everything you have learned here has been tainted with evil, and you cannot hold on to any of it. The only thing that you can hold on to is the fact that Jesus Christ died for you, and by His mighty power, God raised Him from the dead.

If you believe that in your heart, and claim Him as LORD, He will put the same Spirit that raised Jesus from the dead inside of you, to lead you and guide you into the Truth!

Light will overshadow Darkness, and Darkness will not be able to stand in the presence of God!"

Since that night in 1993 my relationship with the LORD God has taken on new purpose and meaning and the overwhelming desire of my heart is to please my Heavenly Father.

The LORD has asked me to share His Message with whomsoever will listen; and I pray that you have "ears to hear" the Truth, and may God give you the understanding.

Many people have been taught that the Holy Spirit of God can no longer inspire men to write down what He speaks to their heart; or that God doesn't speak in an audible voice; but that is not the Truth. And the [Testimony](#) of Jesus Christ in my life is living proof!

I challenge all who are true Christians to prayerfully examine what the LORD said to me, in Light of the [Holy Scriptures](#), and you will see that it is the pure Gospel of Jesus Christ!

Jesus said, "My sheep
hear My Voice, and I know them,
and they follow Me:
and I give unto them Eternal Life;
and they shall never perish,
neither shall any man
pluck them out of My Hand."

John 10:27-28

Sadly, the name of Jesus Christ has been, and continues to be, misused and abused for personal, political, and financial gain; and His memory has become so tainted with evil.

Apostasy, hypocrisy, and compromise is taking over in most of the Churches, and it is destroying God's people! Jesus warned that many would come in His name, and claim to be the "Christ," yet they would be ravenous wolves dressed in sheep's clothing seeking to steal, kill, and destroy all who love the LORD.

Many false teachers and their lies have been embraced by sincere brethren; but God is exposing their evil deeds and deceptions.

The "once saved, always saved" teaching is very convenient to hear, but consider the terrible consequences for those who believe they have a place in Heaven, but really don't.

"[Promise Keepers](#)" may sound great to the unsuspecting soul, but if you look a little deeper you will see that this movement is rooted in evil, and was founded by a man who is involved with many "religious cults."

The "[Rapture](#)" is a controversial subject, even among sincere believers in Jesus Christ, but it is so important to understand. It can greatly affect your attitude towards God and His Kingdom if you sincerely believe that you will never have to face the "anti-Christ."

We must remember only God knows the Day and Hour when He will send His Son to destroy this world and call His people home.

Satan is dividing and conquering many of God's people, and the defining moment of this hour is "[The Passion of the Christ](#)."

Jesus portrayed Himself as a Shepherd who dearly loves His sheep, and that is the image He wants us to remember Him by--not that horribly violent and unscriptural movie presentation of the sufferings of Christ that was created and promoted by a man from Hollywood--an industry of ungodly people that vehemently hates God and His people.

Jesus said, "I Am the Good Shepherd, and know My sheep, and am known of Mine." *John 10:14*

Just because someone claims to be of God does not mean they truly are. God has said there are many anti-Christ's in the world, but there is only one True Christ.

One thing we must realize, God will let us go if we choose to love the world more than we love Him, or if we choose to obey the word of man rather than the Word of God.

Depending upon the condition of your heart will greatly affect how you will respond to God's Word. If the Wicked One has an influence in your life he will be able to steal the Word right out of your heart. If you are not willing to stand up for the Truth at all cost, you are in danger of falling away. And if the cares of this life or the riches of this world have their hold on you, your life will surely show it.

Only the pure in heart will fully appreciate God and His Message; but those who say, "I am rich...and have need of nothing" will blindly accept "[The Message](#)" of the false teachers.

The LORD once said to me, "I Am calling My people, those whom the Father has given Me, unto Myself..." ([27 August 1992 Prophecy](#))

Please don't ignore His earnest plea!
